Thank you for choosing Dynamic Labs optical supply as one of your trusted vendors. For more than 20 years Dynamic Labs has been providing high-quality optical goods to the optical industry. We proudly serve independent retail stores, chain stores and wholesale labs.

Many of our products are made right here in our Ronkonkoma, NY facility, providing jobs to our local community. We have been independently owned from our start, and remain so till this day.

Dynamic Labs manufactures seven brands of edging pads. We are one of the very few distributors to manufacture our own premium surfacing pads. Our loyal customer can expect only the best quality lens processing supplies available, from the manufacturer.

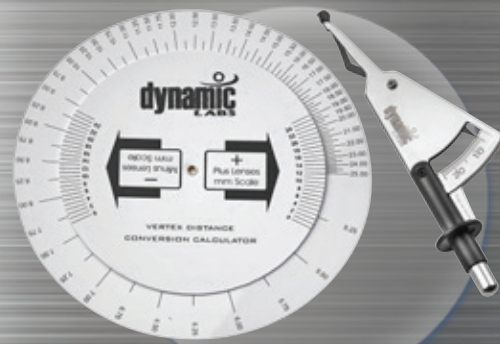

Dynamic Labs also manufactures our very popular Purity Lens Cleaner. We bottle it and imprint your labels right here in the building shown below. We also custom-imprint our purity brand lens cleaning clothes on-site as well. We can customize your cloths or cleaner in days, while many of our competitors will require weeks.

Many sections of this catalog have expanded, and other product lines are completely new. We are proud to offer you our High-Density Silicone nose pads, a vastly expanded screw offering and many new profitable accessories to help grow your business.

Don't miss our new Exam Supplies section. We can now better serve the Doctor's office side of your practice with the addition of our new pharmaceuticals product line.

As you flip through the pages of this catalog you should be able to find a large number of the consumable goods needed to allow you to provide great service to your loyal customer base. We are very pleased you have chosen Dynamic Labs as your supplier. We value both your business and your trust every time you place an order with us.

Join Us On The Road!

Each year, we take our expertise and our products to visit the major optical industry trade shows. It gives us an opportunity to get out from behind our desks and phones and do a bit of "face-to-face" with our favorite people; you! Most years, you will find us visiting the three shows listed below. If any of them are in your area, or you plan on attending, look us up. We love getting to know our customers, both old and new. So stop by. We can promise you a warm greeting, and perhaps a candy bar or two....

SHADE CONTROL

Polarized and Mirrored Clip-On Sunglasses

High quality clip-ons in cases with polarized lenses for maximum glare reduction and a unique, enclosed spring bridge. With over 2,500 possible combinations, we'll have what you are looking for! *Ask your sales rep for additional details.*

Use your visionaries shade control fit kit as the powerful selling tool. Demonstrate our polarized sun clips to every customer who does not purchase RX sun wear and watch your profits sizzle!

Visionaries Fit Kit

Contains a selection of 36 frames

3600036 | **\$499.95 ea.**

Visionaries Clip-On Sunglasses Rimmed with Case - \$21.95

Visionaries Clip-On Mirrored & Polarized, 3D, or Rimless Sunglasses with Case - \$23.95

HOW TO ORDER CLIP-ONS:

RIM STYLE "36" for traditional rimmed clip-ons
RIM STYLE "37" for new rimless clip-ons.

Rim Style Code	Style Code	Horiz. Measure	Vert. Measure	Frame Color	Lens Color
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Choose your shape from the 16 rimmed frame styles or 8 rimless frame styles displayed on page 36. Determine horizontal (A) and vertical (B) measure. Then select frame color from the 4 frame samples shown at the top of the page to the right (page 35). Finally, choose lens color from the dozen examples to the right of the same page.

For example:

36 **05** **48** **22** **3** **40**

"36" for Traditional; "05" indicates Slim Rectangle; "4822" is a 48mm x 22mm lens measurement; "3" tells us you want a gunmetal frame; and "40" is the Classic Silver mirrored lenses.

The product number is then "36054822340". If you have any questions, please call your sales rep. They will be happy to assist you!

Delivery is 1-2 weeks

More than 2,500 variations at your fingertips!

Frame Color Choices

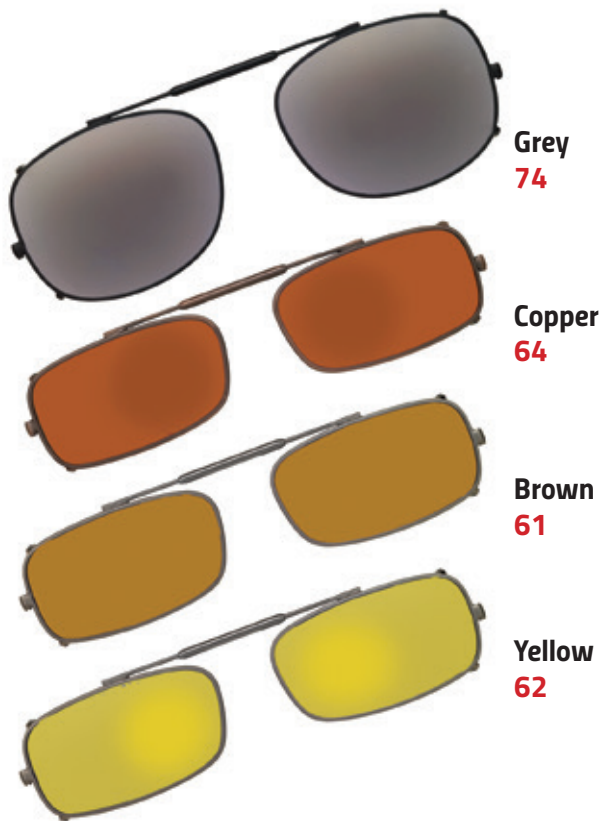

Colors other than Grey and Brown are **not** returnable.

Press-on D-Segs and Prisms

3M Press-On Optics provide you with a simple method for creating prismatic and bi-focal corrections. Made of flexible static vinyl, this material is easily cut and fitted to determine if a prescription is working properly. Good adherence, but easily repositioned.

Now You Can Become an Authorized ZEISS Custom Plano Sunglass Store!

Dynamic Labs and lens expert ZEISS sun lens have joined forces to offer selected optical shops an extraordinary business opportunity.

- ZEISS, offering premium quality and craftsmanship for more than 170 years.
- ZEISS is dedicated to superior research, development, and production of technologically superior Rx and plano lenses, suitable for any application that your patients need, including function, fashion, design, lifestyle, sport and performance arenas.
- ZEISS sun lenses are the only identifiable sun lenses in the optical marketplace thanks to an **exclusive micro-engraved "Z" on each lens.**
- Now you have the opportunity to provide your clientele with these quality lenses in the frames *they choose*. Whether it's one of the latest, contemporary styles you carry, or a vintage frame they've kept for years, you can satisfy their optical desire through this exclusive program!
- This program will be **geographically limited**, so secure your authorization today.
- **Dynamic Labs and ZEISS** are looking for optical retail stores that are eager to be a part of this program and to get the most out of it. This is a **great opportunity** for an optical retail store to create a new, **highly profitable and exciting revenue source** while easily implementing this program into its existing infrastructure and adding a new dimension to your current business model.
- **Three different packages** are available for your selection to accommodate whatever level of traffic your business maintains. If you are interested, call your Dynamic Labs Representative today to find out if you qualify.

A Quality Lens Deserves A Quality Blocking Pad....

For years we have all seen amazing advances in lens and coating technology. ProEdge 3™ is an advancement in blocking pad technology. This unique firm material significantly reduces twisting in high torque edging situations. This high tech finish blocking pad combats your slipping concerns. Premium coating? No problem. ProEdge 3 works well on all of your coated and uncoated lens, yet it easily, cleanly and quickly deblocks.

Air-Active®

High-comfort thanks to air cushioning.

NEW!

Introducing a new type of nose pad with even more wearing comfort than regular silicone pads. In addition to the benefits offered by pads made of silicone, an air cushion system makes this pad even more comfortable to wear.

Pliers And Cutters

Deluxe Axis Adjusting Pliers

Extra long handles provide increased leverage with a wide throat for extra clearance. Special jaw design will not twist.

#6120068 \$34.95
6+ \$29.95 ea

Repl. Jaw - 6120069 \$5.95

Ergonomic Deluxe Axis Adjusting Pliers

Same special jaw design as our standard Axis adjusting pliers with a more ergonomic handle.

#6120168 \$36.95
6+ \$31.95 ea

Repl. Jaw - 6121067 \$5.95

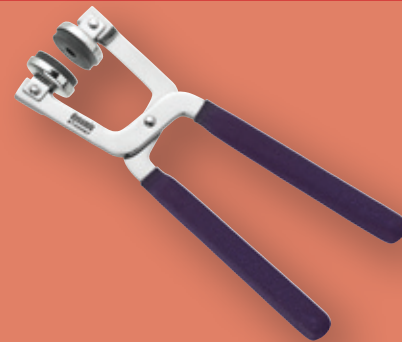

Economy Axis Adjusting Pliers

A great quality axis plier at a great price.

#6120067 \$24.95
6+ \$19.95 ea

Repl. Jaw - 6121067 \$5.95

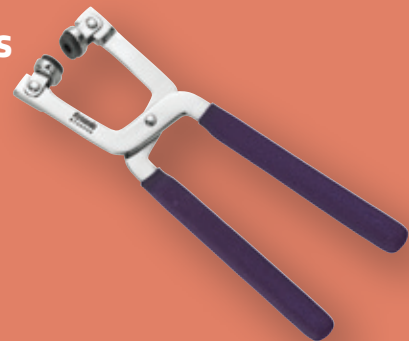

Small Eyesize Axis Adjusting Pliers

Small footprint jaws with lots of leverage! It's about time!

#6120009 \$34.95
6+ \$29.95 ea

Repl. Jaw - 6121009 \$5.95

- Bracing Bending Pliers

Pliers And Cutters

Rimless Compression Mount Pliers

Use on three-piece compression style mounting systems to install the bushings. Can also be used for a bracing plier on these frame types.

#6130013 \$34.95
6+ \$29.95 ea
Repl. Jaw - 6131013 \$5.95

Ergonomic Rimless Compression Mount Pliers

Same compression system as our 6130013 with a more ergonomic handle.

#6130113 \$36.95
6+ \$31.95 ea
Repl. Jaw - 6131113 \$5.95

Rimless Bushing Cutting Pliers

Use on three-piece rimless bushings exclusively. The cutting end is highly polished to eliminate the risk of damage to lenses. Use on other materials is not recommended. 7mm wide.

#6130011 \$34.95
6+ \$29.95 ea

Thin Bushing Cutting Pliers

Same cutting system as our 6130011 with a thinner head to get in tight places. Use on other materials is not recommended. 4mm wide.

#6130313 \$36.95
6+ \$31.95 ea

- Bracing Bending Pliers

Pliers And Cutters

Rimless Bushing Pulling Pliers

Use on three-piece rimless bushings exclusively, cutting end is highly polished and eliminates the risk of damage to lenses. Use of this on other materials is not recommended.

#6130012 \$34.95
6+ \$29.95 ea

Rimless Bushing Pushing Pliers

Need to push a double pin compression bushing out? This is the right tool!

6130014 \$34.95
6+ \$29.95 ea

Fine Nosepad Arm Adjusting Pliers

Virtually no clearance problems for this tool!

#6140014 \$34.95
6+ \$29.95 ea

European Style Nosepad Adjusting Pliers

Grooved jaw fits around pad box for a sure grip.

#6140016 \$34.95
6+ \$29.95 ea

- Bracing Bending Pliers
- Axis Pliers
- Rimless Pliers
- Nosepad Pliers
- Cutting Pliers
- Chain Nose/Snipe Nose Pliers
- Specialty Pliers
- Parallel Pliers

Pliers And Cutters

Classic B&L Nosepad Adjusting Pliers

Adjusts just about any nosepad, as well as installing crimp on nosepads seen on many antique and retro frame styles.

#6140046 \$34.95
6+ \$29.95 ea

Push In Nosepad Removal Pliers

Never ruin a frame or misalign a nosepad arm! Place the forked jaw between nosepad and box and use the other jaw to pop nosepad right out!

#6140048 \$34.95
6+ \$29.95 ea

Standard Side Cutter

Specially designed tool allows jaws to cut screws very close and still retain a super sharp edge.

#6150091 \$34.95
6+ \$29.95 ea

Ergonomic Standard Side Cutter

Same classic side-cutter with a more ergonomic handle.

#6150191 \$36.95
6+ \$31.95 ea

Pliers And Cutters

Vital Nidek Deblocking Pliers

Specially designed to fit Nidek blocks. Reduces flex on lens during deblocking. Exclusive ergonomic design helps reduce carpal tunnel syndrome.

#6170061 \$34.95
6+ \$29.95 ea

Screw Peening/Flaring Pliers

Use for flaring screw ends or rivets to prevent loosening.

#6170054 \$34.95
6+ \$29.95 ea

Parallel Jaw Flat Nose Pliers

The same as a standard flat nose plier with the added advantage of having parallel jaws for added stability.

6160006 \$44.95
6+ \$39.95 ea

Parallel Jaw Round Nose Pliers

Double round nose jaws create intricate loops akin to nosepad arms. Parallel jaws give added stability.

6160005 \$44.95
6+ \$39.95 ea

- Bracing Bending Pliers
- Axis Pliers
- Rimless Pliers
- Nosepad Pliers
- Cutting Pliers
- Chain Nose/Snipe Nose Pliers
- Specialty Pliers
- Parallel Pliers

Pliers And Cutters

Parallel Jaw Flat / Round Pliers

Immobilizes the frontpiece while making temple adjustments forward of the hinge. One nylon and one flat metal jaw prevents damage to the finish.

6160004 \$44.95
6+ \$39.95 ea

Repl. Jaw - 6161004 \$7.95

Parallel Jaw Double Nylon Pliers

Use for bracing, bending and holding with the added protection of nylon for today's delicate finishes.

6160003 \$44.95
6+ \$39.95 ea

Repl. Jaw - 6161003 \$7.95 (set of 2)

Parallel Jaw End Cutting Pliers

Makes cutting stainless steel screws much easier.

6160002 \$44.95
6+ \$39.95 ea

Parallel Jaw Side Cutter

Makes cutting stainless steel screws and temple tips much easier.

Suction Mounted Swivel Vise

#6214750 \$79.95

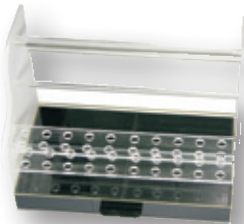

Suction diaphragm holds this vise securely to any smooth surface! Features non-marring rubber padded jaws and full 360 degrees of rotation.

Aluminum Tool Holder

#6109904 \$24.95

Professional looking tool holder for your public work space.

Lucite Pliers Stand

#6109903 \$44.95

Professional looking tool holder for your public work space.

Magnetic Screw Pad

#6215127 \$11.95
6+ \$9.95 ea. — 12+ \$7.95 ea.

For use on the workbench area to help prevent screws and small parts from bouncing. 12" x 15"

Files, Broaches and Specialized Tools

A Leatherette Tool Case

#6109902 \$39.95

Great portability for your tools.

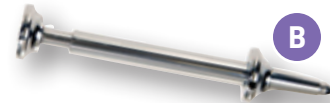

B Universal Nut Driver

#6480000 \$16.95

4+ \$4.95

Grips virtually any nut or fastener! Push in the plunger at the back to spread the jaws, place over the nut and release for a secure hold on most nut styles including even smooth decorative nuts.

C Brass & Nylon Mallet

#6215120 \$9.95

Brass Face Repl. #6215121 \$4.95

Nylon Face Repl. #6215122 \$4.95

Non-marring nylon or soft brass for a gentler solution to jobs requiring force.

D Hard Bristle Cleaning Brush

#6215009 \$9.95

Use on machinery, small parts or for general cleaning.

E Bench Magnetic Tool Holder

12" Holder #6215012 \$32.95

18" Holder #6215018 \$39.95

24" Holder* #6215024 \$42.95

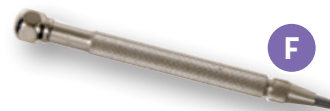

Magnetically holds tools for easy retrieval.
*Differs from image

F Scribe Alignment Tool

#6215126 \$16.95

Great for reopening rimless bushings after cutting! Etch marks into metal or plastic, or simply line up a hinge.

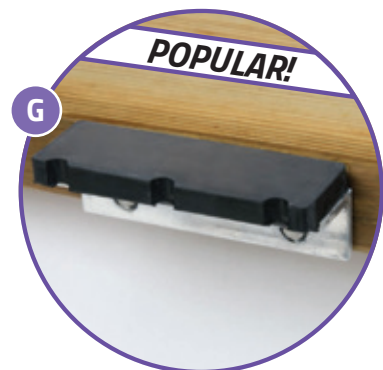

G Bench Block

#6215210 \$9.95

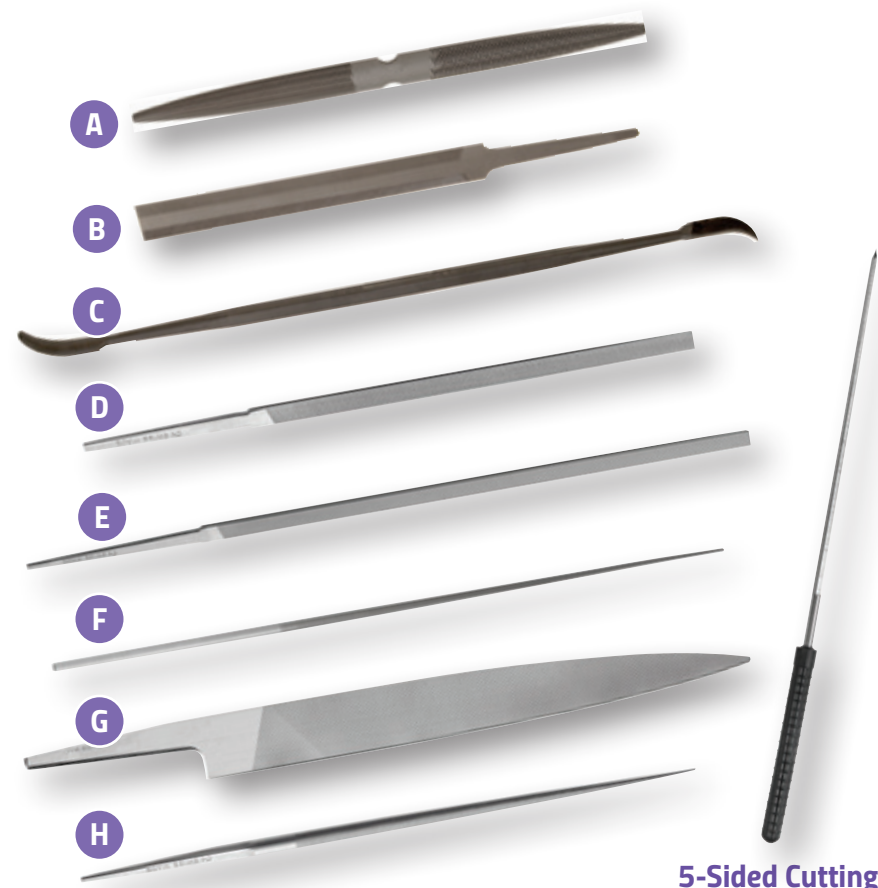

Replacement Pad #6215211 \$4.95

Firmly supports frames with a replaceable non-marring rubber for a variety of procedures.

#5999949 \$19.95

Utility Knife Handle

#6217101 \$11.95

Excellent quality knife for all your cutting needs. Comes with single standard blade. Curved blade for use on surface tape is available.

Straight Blades

#6217102 \$19.95

Standard straight pointed blades. Pack of 15.

Curved Blades

#6217103 \$19.95

These blades have a reverse curve and are great for trimming surface tape or in areas where extra control is needed. Pack of 5

Midget Screw Extractor

#6215145 \$44.95

2+ \$39.95 ea. — 4+ \$34.95 ea.

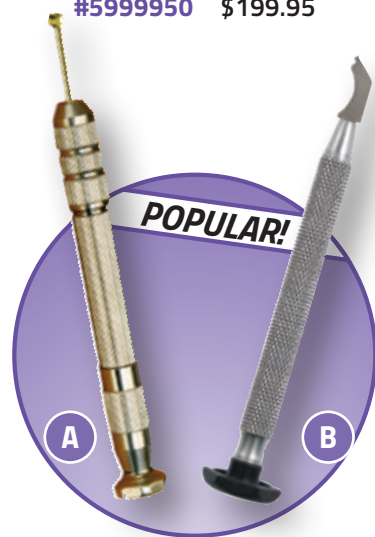

Used for removing stripped or stubborn screws, eliminating need for drilling. Compact size works well with today's smaller frame styles.

Screw Pin Repl. #6215146 \$14.99

Complete File Master Set

#5999950 \$199.95

A Deburring Tool

#5999901 \$19.95

Removes burrs from the end of screws without damaging the frame.

Repl. Cup Burr 1.8mm #6277018 \$6.95

B Swarf Removal Tool

#5999960 \$19.95

Easily removes debris from edges and grooves on plano lenses.

Staking Unit with Accessories

Replacement Pins for Single and Double Pin Punches

6215135 | \$16.95

Custom Die Stamps

For stamping lenses. Please specify for either pliers or staking unit. 6-8 week delivery.

- 6216096 Custom Die Stamp with plier – \$180.00
- 6216098 Custom Die Stamp for plier – \$98.00
- 6216097 Custom 4 Letter Die Stamp for use in staking unit – \$110.00
- 6216099 Custom 3 Letter Die Stamp for use in staking unit – \$98.00

Multi-purpose tool designed to aid the user with repair functions where extra precision is needed.

Staking Unit with Accessories

6215130 | \$250.00

Replacement Base Wing Screw

Not shown

6215141 | \$5.95

Punches

Pointed Punch

Useful for spreading screw ends to prevent loosening, or center punching prior to drilling.

6215131 | \$9.95

Blunt Punch

Useful for knocking out loose or broken screws.

6215132 | \$9.95

Single Pin Punch

Useful for pressing out rivets, or piercing plastic frames.

6215133 | \$9.95

Double Pin Punch

Useful for pressing out double rivets, with industry standard 2.5mm spacing, or for creating holes for them.

6215134 | \$19.95

Anvils

Steel Anvil

For use as a backing while peening rivets.

6215136 | \$18.95

Nylon Anvil (Not shown)

6215148 | \$14.95

Hinge Anvil Choke

Used to block off hole in hinge anvil, while raising the surface.

6215137 | \$12.95

Small Hole Anvil

Used during rivet extraction.

6215138 | \$9.95

Hinge Anvil

Used to support the hinge during stripped screw removal.

6215139 | \$9.95

Spring Loaded Punch

6215123 | \$34.95

Use to center punch in metal or topeen screws. Supplied with cup point.

- Pointed Bit for Punch - 6215124 \$5.95
- Cup Bit for Punch - 6215125 \$5.95

Hand Drill

6277099 | \$15.95

Handy for close drilling of small work at the bench.

Swivel Head Drill/ Tap Holder

6279001 | \$6.95

With 2 reversible chucks to hold 4 sizes of drills, taps, screwdriver blades, from the smallest up to 1/8" or 3.2 mm. 4" long x 5/16" dia. with a 3/4" swivel head.

High Speed Twist Drills

Made of the highest quality steel, carefully tempered and accurately ground to size. All drills have straight shanks and are perfectly finished to assure quick, smooth and clean drilling.

10 drill bits per pack.

6279009 | \$99.95

Soldering Supplies

Titanium Brazing Flux

8245303 | \$48.00

Allows titanium to be brazed as if it were nickel or steel!

Use with Special Solder Wire for Titanium – 8215303 for best results.

Special Solder Wire for Titanium Flux

8215303 | \$74.95

- To be used with titanium flux
- .031" diameter
- Melts at 1240°F
- 1 oz. coil

Dynamic Stainless Steel Brazing Flux

8244601 | \$9.95

- An excellent flux for preparing stainless steel for solder
- Works with High Silver content solders only (8215301)

Silver Solder Wire with Cadmium

8215301 | \$79.95

- Melts at 1325°F.
- 1 oz. coil

Silver Solder Rods with Flux

8224112 | \$105.50

- These solder rods with flux core do not require additional flux or cleaning agent for immediate use

- Melts at 1275°F
- 12 rods/package

- Convenient method of joining metals with strong bond

Solder Paste with Flux

Yellow 14K Gold | 8244205 | \$89.95

Silver – Easy | 8245105 | \$39.95

- Dispensing applicator gives you the right amount quickly, efficiently, and economically
- Will adhere wherever applied with bright, clean results and leave little or no carbon residue
- Easy to clean up with no waste

Plastic Frame Repair Pellets

8250002 | \$4.95

- Zyl pellets – excellent bonding power
- Ideal with replacing hidden hinges where screw holes are chipped out
- Comes in hand dispenser tube with enough pellets for hundreds of repairs
- Mix with acetone to form a repair patch.

Heat Shield

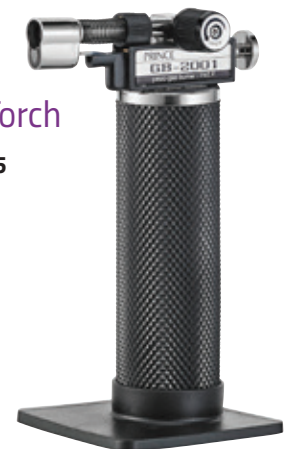

8216448 | \$19.95

- Protects components under direct 5000°F flame
- Prevents oxidation and is odorless and non-toxic
- Washes off with water
- 1 lb. tub

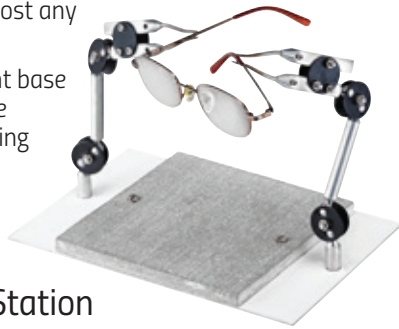

Butane Lab Torch

8211000 | \$69.95

- Adjustable flame when you need it
- This torch uses commercially available butane and ships empty

- Multi-position clamps allow for almost any configuration
- Heat resistant base protects table during soldering

Soldering Station

8211002 | \$39.95

Weighted base and clips hold frames just where you want them.

Third Hand Solder Stand

8210003 | \$29.95

Silver LED Lamp with Double-Reach Clamp

- Silver color. Comes with both clamp and base stand.
- Dimensions: 20"L x 6"W x 22"H
- Light Source: LED
- Lumens: 600 ▪ Watts: 10W
- Beam Angle: 60°
- Adjustable Color Temp: Soft White, Bright White, Daylight
- Switch: Touch
- Dimmer: Full range
- Shade: Plastic Construction

Lens Pro™ Premium Lensometer

This finely crafted lensometer is handmade to the highest standards. The Lens Pro™ Lensometer uses superior quality optics, an LED light source and includes a prism compensator in its user-friendly design. Large ergonomic knobs are clearly marked for ease of use.

5875551 | \$1099.00 ea.

Precision Scale

Prism Compensator

LED 25W Bulb

Target:	American Cross-line
Vertex Power:	Range: 0D to ±20D
Step:	0.125D up to ±5D; 0.25 at ±5D to ±20D
Astigmatism Axis:	0 to 180°, minimum scale value 1°
Prism Diopter:	1 diopter intervals in the range of 0D to 20D
Prism Base Angle:	0 to 180°, minimum scale value 5°
Eyepiece Focus:	±5D
For Lens Sizes:	30mm to 90mm in diameter
Overall Dimensions:	18" x 6.75" x 9.5"
Weight:	16 pounds
Lighting Lamp:	LED 110V 25W equivalent

PROEDGE 3™

Revenge of the Blocking Pads!

For years we have all seen amazing advances in lens and coating technology. Pro Edge 3™ is an advance in blocking pad technology. This unique firm material significantly reduces twisting in high torque edging situations. This high tech finish blocking pad combats your slippage concerns. Premium coating, no problem. Pro Edge 3 works well on all of your coated and uncoated lens, yet easily, cleanly and quickly deblocks.

Pro Edge 3™. It's about time !

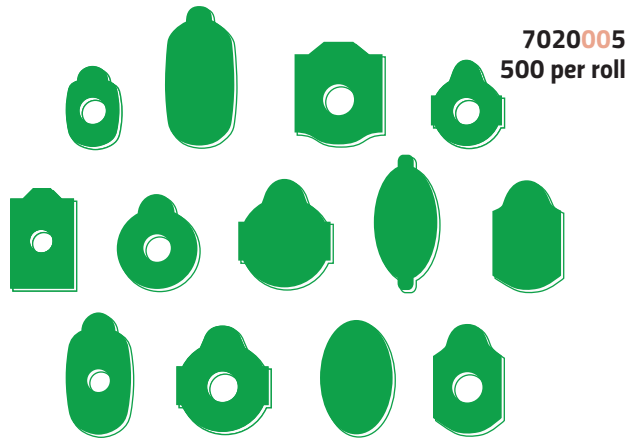

All ProEdge 3™ pads start with: **7026**.
Note: Style 22 not available

Rolls of 1000, \$59.95 each ■ 4 or more, \$54.95 each ■ 8 or more, \$49.95 each
Rolls of 2000 available with minimum order of 10 rolls ■ Contact your Dynamic Labs Rep.

ProGRIP™ COMBO PAD

The first Combo Blocking pad with a built in Anti-Slip disc!

- Holds better than any blocking pad and still releases easily
- No adhesive residue
- Quick one step process is the easiest and safest way to edge your most expensive lenses

7020005
500 per roll

We've taken the durability of our ProEdge blocking pad line and combined it with the superior adhesion of our DynaGRIP anti-slip discs!

ProGRIP™ discs start with: **7020**

Roll of 500 \$129.95 each
4 or more - \$119.95;
8 or more - \$109.95

HOW TO ORDER:

7025 30 2

Example shown reads: ProEdge (7025), 17mmx24mm half eye (style 30), roll of 2000 (2)

Brand: **Style:** **Roll Size: 1 = 1000/roll; 2 = 2000/roll; 5 = 500/roll**

The Right Blocking Pad For The Right Job!

BigRed™ Tri-part Pads

BIG RED – A classic high performance pad works equally well on AR coated and uncoated lenses.

- We added a separate anti-twist film between two layers of adhesive to make the pad firmer thus resisting the high torque forces that can cause pads to twist.
- The Tri-part construction was designed specifically to prevent both slipping and twisting.

All BigRed™ pads start with: **7027**

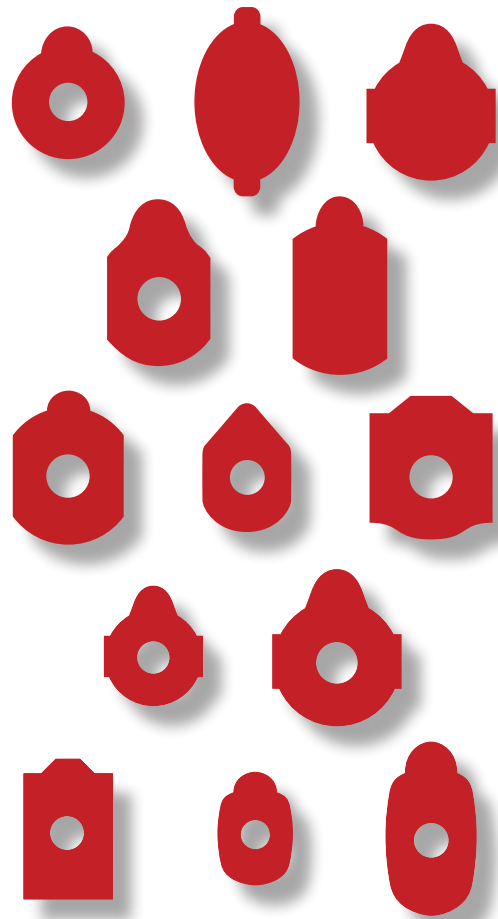

NOTE: Style 22 NOT available.

Roll of 1000 \$59.95 each

4 or more, \$54.95 each ▪ 8 or more, \$49.95 each

Roll of 2000 \$98.95 each

Rolls of 2000 available with minimum order of 10 rolls

SecureEdge™ Plus Pads

SECUREEDGE Plus – A blocking pad designed exclusively for super hydrophobic AR lenses

- A Dual adhesive system has the strongest adhesive available on the lens side with an easy release adhesive on the block side.
- This super strong adhesive is designed specifically for AR coated lenses. (It might prove more difficult to remove from non AR coated lenses).

All Secure Edge™ Plus pads start with: **7024**

NOTE: Styles 19, 35, 34, 38, 39 and 40 NOT available.

Roll of 1000 \$99.95 each

4 or more, \$89.95 each ▪ 8 or more, \$79.95 each

Roll of 2000 \$159.65 each

Rolls of 2000 available with minimum order of 10 rolls

UltraWhite™ Pads

The classic blocking pad. Excellent construction and easy to remove from the lens.

- Holds well on standard lenses; removes easily without residue.
- Reliable and Economical

All Ultra White™ pads start with: **7029**

NEW!

Lens Pro™ TRACTION CONTROL

Traction Control is the newest weapon in your arsenal to protect your costly lens investment.

Tired of ruining lens? Blocking pads failed you? Anti-slip films leaving you on a slippery slope?

Lens Pro™ Traction Control to the rescue! Simply apply one or two sprays to the coated lens. Allow 30-60 seconds for product to dry, then block and edge. To remove product simply spray with Eliminator, and wipe with a clean lens cloth.

Dressing Sticks

With the proper grit for dressing, truing, roughing and finishing diamond wheels. 1/2"x1/2"x 6".

Tan for roughing – 80 grit **7210404** \$9.95
 White for finishing –220 grit **7210406** \$9.95

Edging Wheels

STANDARD ROUGHING WHEEL

Our high quality standard roughing wheels are designed to outlast and outperform those provided by the OEM, at a fraction of the cost. Our diamond wheels are available for glass, plastic, polycarbonate, and Hi index lenses.

TRIVEX ROUGHING WHEEL

Our new Trivex roughing wheel is specifically designed to control the high heat often generated while edging Trivex material. This slotted wheel will reduce the surface temperature of both the wheel and the lens. This allows you to cut trivex material quickly and efficiently. Weather you're in a production lab or small office, this is the best way to cut trivex lenses.

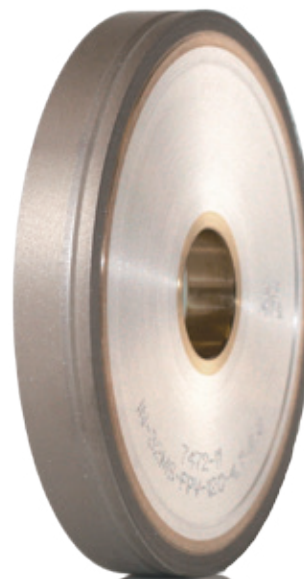

FINISHING WHEEL

Our finishing wheels are manufactured to provide you with the finest quality product at a fraction of the cost of those offered by the OEM.

POLISHING WHEEL

Our polishing wheels provide you with the high luster shine. Our finishing and polishing wheels are available as a set.

How do you know when it is time to change the wheels on your edger?

For roughing wheels, watch for these symptoms: Wheel is not cutting or is working slower, has axis problems, or lens slippage. If you have used the same blocking pad for years with good result, and no other conditions in your edging

process have changed, it may be time for new edger wheels. You can NOT use dressing sticks on your roughing wheels.

For finishing and polishing wheels – if it is taking too long, or the bevel looks more like a “U” instead of a “V”, you can try dressing it with a dressing stick for finishing wheels. The more it is used, the deeper the U area and eventually there is no diamond bond left. It’s time to change the wheel.

Dynamic Dyes

Dynamic Dyes are long lasting and stay true to color. Many of our accounts have told us that our brown and black dyes are the best they have ever used. Our dyes absorb quickly and evenly. Dynamic Dyes have the longest color retention, losing only a minimal amount of tint over long periods of time. Available in 4 oz. concentrated liquid or powder formula. Each makes 1 quart. **Please dilute with distilled water.**

UV Treating Tips

The dye tanks should be cleaned every time the UV solution is changed by washing the pan with detergent and water, followed by rinsing the pan under running water for about ten minutes.

- If evaporation does occur, add distilled or de-ionized water whenever possible. Tap water may contain minerals and other elements which can have an adverse effect on the UV solution.
- We recommend that you use Dynamic Lens Prep (see item #1403232 on page 55) to make sure that your lenses are ready for the UV treating process.
- Heat the Ultra UV to 205°F (97°C). Stir your UV solution during heat up and periodically throughout the day. This will help avoid clumping and/or messy boilovers.
- Please remember, the Dynamic Ultra UV and the Dynamic Ultra UV Plus are fast acting solutions. (Just 1 to 4 minutes to achieve full UV attenuation) So minimize unwanted side effects by treating lenses as directed. Or switch to our new Ultra White UV or Ultra White UV Plus for a treatment without the possibility of unwanted side effects.

COLOR CORRECTION CHART

LENS COLOR	IS TOO	THEN DIP IN
GREEN 	YELLOW BLUE BROWN GRAY	BLUE BROWN OR YELLOW BLUE N/A
ROSE 	BLUE RED BROWN	RED VIOLET N/A
GRAY 	GREEN PURPLE BLUE BROWN RED	PINK YELLOW BROWN BLUE RED REMOVER
BROWN 	RED PURPLE OR GRAY GREEN BLUE	GRAY OR BLUE YELLOW RED, THEN BLUE PINK AND YELLOW

Tinting Tips

WATER

USE DE-IONIZED OR DISTILLED WATER, WHEN POSSIBLE – Tap water contains minerals and other elements which can affect the pH of the tint solution. In certain cases, this can cause adverse color variations.

LENSES

LENSES MUST BE CLEAN AND EACH PAIR SHOULD BE FROM THE SAME MANUFACTURER
We recommend that you use Dynamic Lens Prep (see item #1403232 on page 55) to make sure your lenses are clean and ready for tinting. Also, different lenses are made from different materials, so make sure each pair of your lenses are identical.

TEMPERATURE

THE TINT SOLUTIONS SHOULD ALWAYS BE KEPT AT 205 °F (97 °C) – Although DYNAMIC DYES will operate at various temperatures, for fastest absorption and perfect color consistency, the tint solution should be kept at 205 °F.

ANTI-REFLECTIVE COATING

When AR coating tinted lenses, we have found that up to 25% of the tint can be lost. Our tests have proven that you can avoid this by tinting the lenses 20% darker than desired and then neutralizing the lenses back to only 3% darker than desired. This removes any poorly absorbed tints and prepares the tinted lens for the AR coating process.

Neutralizers

- Completely odorless, self-cleaning and a very low evaporation rate
- Won't delaminate, craze, or streak lenses
- CR-39 Neutralizer for speed; Poly Safe Neutralizer for versatility

Poly Safe Neutralizer

The Perfect Polishing Pads For Any Environment!

Dynamic Polishing Pads – with Adhere™ Backing

Backing features Adhere™ – the industry's best pressure sensitive adhesive that offers the strongest grip, especially in a wet environment, yet still removes easily when the job is finished.

Premium Gold

The gold standard in polish pads. This pad holds more polish and lasts longer.

TERMS AND CONDITIONS

The following terms and conditions apply to all services and to all merchandise (referred to as the "Goods") purchased from Dynamic Laboratories, Inc. ("Seller"). The party purchasing the services or Goods from Seller is referred to as the "Buyer."

1. **PRICE.** All prices in this catalogue are listed in U.S. Dollars (\$USD). The Goods and any other items or services provided by Seller shall be sold and Invoiced at Seller's prices and charges in effect at the time of each shipment of Goods. Seller reserves the right to change without notice the published list prices referenced in this catalogue, on any sales order, or on Seller's website. Such prices do not include sales, excise, use or other taxes (other than taxes based on income) now in effect or hereafter levied by reason of this transaction. Buyer shall pay all such taxes.

2. **PAYMENT TERMS.** Seller, at its sole and absolute discretion, may elect to extend, limit or revoke credit terms to Buyer. Where credit is extended by Seller, payment terms are [net 30] days from the date of the invoice. Seller reserves the right to require alternative payment terms and shall not be obligated to extend credit to any Buyer. Buyer shall be liable for the price of all products substantially conforming to the contract, notwithstanding that Buyer may not have accepted, or may have revoked acceptance of same. Buyer shall be deemed to have accepted the accuracy and content of all invoices unless Buyer notifies Seller, in writing, of any discrepancies on or before the due date.

3. **LATE PAYMENTS.** If payment is not received by the due date, a service charge will be added at the rate of 1 1/2 percent per month (18% per year) or the maximum legal rate, whichever is less, to unpaid Invoices from the due date thereof.

4. **MULTIPLE SHIPMENTS.** Seller may make delivery in installments and may render a separate invoice for each installment, which invoice shall be paid when due, without regard to subsequent deliveries. Each installment shall be deemed a separate sale. Delay in delivery of any installment shall not relieve Buyer of its obligation to accept delivery of remaining installments. Any delivery not in dispute shall be paid for on the due date, as provided in this contract, without offset, defense or counterclaim and regardless of controversies relating to other delivery or undelivered products.

5. **ACCEPTANCE.** Buyer agrees to accept any tender of the Goods by Seller which substantially conforms to the description of the Goods set forth herein, or in and sales order or contract. Buyer shall be deemed to have accepted any Goods and Buyer's right to cancel, reject or claim any damages for breach of warranty or breach of Seller's obligations in connection with the sale of the Goods shall terminate unless Buyer gives Seller notice in writing of Seller's breach in the case of defects discoverable through inspection, 30 (thirty) days after delivery of the Goods or in the case of defects not discoverable through inspection, 30 (thirty) days after invoice date. Acceptance of any non-conforming Goods shall constitute a waiver by Buyer of specification requirements for said Goods. Buyer's acceptance of Goods tendered under this contract shall be final and irrevocable.

6. **DELIVERY.** Delivery of the Goods shall be F.O.B. Seller's shipping point. Seller shall make reasonable efforts to ship Goods and perform services in a timely manner. Seller, however, shall not be responsible for the delay in any shipment or delivery of Goods or services which are not within the control of Seller. **IN NO EVENT SHALL SELLER, IN THE EVENT OF DELAYS, NONPERFORMANCE, OR OTHERWISE, BE LIABLE TO BUYER OR ANY THIRD PARTIES FOR ANY CONSEQUENTIAL, SPECIAL, OR CONTINGENT DAMAGES.** In the event of any delay or failure of performance, Seller shall have such additional time to perform its obligations hereunder as may reasonably be necessary under the circumstances. If Seller is unable to perform this contract in whole or in part, then to the extent that it is unable to perform, any contract for Goods or services shall be deemed terminated without liability to either party, but shall remain in effect as to any unaffected portion of the contract.

7. **LIMITATION OF SELLER'S LIABILITY.** If Buyer timely notifies Seller in writing of a claimed defect in accordance with the terms set forth herein, Buyer shall concurrently offer Seller the opportunity to investigate the claim and to inspect allegedly defective Goods. If Seller determines that Buyer's claim is valid, Seller may repair the defective Goods or replace the defective Goods with conforming Goods. Failure to offer Seller opportunity to inspect the Goods shall constitute acceptance by Buyer and waiver of all claims for defects. **SELLER'S LIABILITY FOR DAMAGES ON ACCOUNT OF A CLAIMED DEFECT IN ANY PRODUCT DELIVERED BY SELLER SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PRODUCT ON WHICH THE CLAIM IS BASED.** Replacement of defective Goods or at Seller's discretion, repayment of the purchase price for any such Goods will be made only upon return of the defective Goods. Specifically and without limiting the

generality of the foregoing, SELLER SHALL NOT BE RESPONSIBLE OR LIABLE TO BUYER OR TO ANY THIRD PARTY FOR ANY LOST PROFITS, OR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL OR CONTINGENT DAMAGES FOR ANY BREACH OF WARRANTY OR OTHER BREACH OF SELLER'S OBLIGATIONS UNDER THIS OR ANY CONTRACT FOR THE SALE OF GOODS OR SERVICES. SELLER SHALL NOT BE LIABLE FOR DAMAGES RELATING TO ANY INSTRUMENT, EQUIPMENT, OR APPARATUS WITH WHICH THE PRODUCT SOLD UNDER THIS CONTRACT IS USED.

8. **SELLER'S REMEDIES.** If Buyer fails, with or without cause, to furnish Seller with specifications and/or instructions for, or refuses to accept deliveries of any products sold under this contract, or is otherwise in default under or repudiates this contract or any other contract with Seller, or fails to pay when due any invoice under due to Seller, then in addition to any and all remedies allowed by law, Seller without notice may defer shipment under this or any other contract between Buyer and Seller until such default, breach or repudiation is removed and/or (c) may cancel any undelivered portion of this and/or any other contract in whole or in part (Buyer remaining liable for damages).

9. **SPECIFICATIONS AND MODELS.** Any description of the Goods contained in any sales order or contract, or any sample or model used or referred to shall be for the sole purpose of identifying the Goods, and any such description shall not constitute a warranty that the Goods conform thereto.

10. **DISCLAIMER OF WARRANTY.** SELLER SPECIFICALLY EXCLUDES ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION ANY WARRANTY THAT THE GOODS SOLD UNDER THIS AGREEMENT ARE MERCHANTABILITY OR ARE FIT FOR ANY PARTICULAR PURPOSE.

11. **NO ADDITIONAL TERMS.** Agents and salesmen of Seller have no authority to make any representations not included herein or to alter any of the terms or conditions contained herein, or to accept any terms not contained herein. Seller hereby rejects any different or additional terms proposed by Buyer or included in Buyer's purchase order or any other document, none of which shall be effective unless set forth in a writing signed by the President or Vice President of Seller.

12. **NO ORAL MODIFICATIONS.** The foregoing terms and conditions may not be modified orally or by the conduct of any party.

13. **JURISDICTION AND GOVERNING LAW.** This agreement, and all sales of Goods or services by Seller to Buyer shall be governed by and construed in accordance with the internal laws of the State of New York, without regard to choice of law or conflicts of law principles. Buyer hereby agrees to submit to the exclusive personal jurisdiction of the Courts of the State of New York in connection with any dispute arising out of this agreement or the sales or services provided by Seller to Buyer, with venue of any such action in the appropriate state or federal courts situated in either Nassau or Suffolk County.

14. **SEVERABILITY.** In the event that any provision of the foregoing terms and conditions is found to be illegal or unenforceable by any court or tribunal of competent jurisdiction, that provision or term shall be stricken entirely by such court or tribunal and the remainder of this agreement between Buyer and Seller shall remain binding on the parties.

15. **NO WAIVER.** If Seller fails to, or elects not to enforce any right or remedy to which it may be entitled hereunder or by law, such right or remedy shall not be waived, nor shall such nonaction be construed to confer a waiver as to any continued or future acts, nor shall any other right or remedy be waived as a result thereof.

16. **ATTORNEYS' FEES.** In addition to all other remedies and damages available, in the event of any litigation arising out of Buyer's failure to pay any amount due hereunder, Seller shall be entitled to recover from Buyer all of its reasonable expenses and disbursements incurred in the collection of such amount, whether by judgment or settlement, or in the enforcement or collection of any judgment or award rendered therein including, without limitation, costs of investigation and reasonable attorneys' fees.

17. **CAPTIONS.** The captions appearing herein are for convenience only, and shall have no effect the construction or interpretation of the terms and conditions set forth above.

SPECIAL ORDERS FOR ITEMS NOT IN OUR CATALOG WILL BE SUBJECT TO A \$50 MINIMUM. SURCHARGES MAY APPLY.

Team

Hard At Work For You!

20
YEARS

Dynamic Labs is the largest independently owned manufacturer of optical supplies in America. For over 20 years we have been manufacturing and distributing the finest quality dispensing and lab supplies just a few miles from where the owners were born. We are proud of the fact that while much of our industry is becoming globalized we have increased our manufacturing in the United States.

Our goal is to supply our customers with new and innovative products to increase their visibility with their customers and help maximize profitability.
